Check this box if you would like to receive the newsletter via email, instead of receiving a printed copy in the mail. This saves the club money in the form of paper, printing and postage costs. Classified Ads in our Newsletter are free to members.

**The Old Dominion Draft Horse and Mule Association, Inc. needs your help in making this the best organization that it can possibly be for all members. Open communication between members and the Board of Directors is key to the success of this organization. While volunteering is not required, we encourage members to volunteer to help the organization so that less time is spent on activities that no-one wants to do and more time can be spent on fun activities that everyone is willing to do. No experience is necessary to volunteer – we are happy to teach and train! We guarantee that you will learn lots of really neat stuff about draft equine and have lots of fun at the same time. The organization will only be as successful as the membership make it and a hand full of active members will not keep it going. It takes the effort of the entire membership. Our current membership includes a diverse group of individuals who have used their draft equine at various draft horse events and public events. We have a lot to share. Come join us and see what we have to offer.**
